Dear Ramu,

At Welspun World, the previous financial year has been a milestone year with the unveiling of our new brand identity. The two wings appearing on the W wordmark made way for two affirmative ticks symbolizing **Doing the Right Thing** and **Doing Things Right**. This new brand identity represents our exponential growth and the philosophy of moving forward fearlessly. Our focused actions across various businesses have begun to yield results. We've witnessed a steady improvement in financial, and non-financial performance including ESG (environmental, social and governance) goals. We're now primed for the next level of growth with most of our businesses recognized as a **"Great Place to Work"**.

At **Welspun GCC**, our unwavering dedication to providing tech-enabled solutions for our valued customers is at the core of our mission. We prioritize nurturing talent and offering ample opportunities for mutual growth, ensuring that we remain a Great Place to Work. With a strong emphasis on our **Captive and IT/ITeS business**, we aim to achieve new milestones together.

As we move towards FY 2025-26, the focus is to be amongst the **top 2 value creators in each of our business, top 10 most respected Indian brands** and **top 50 groups in India in terms of Market Value**.
